Everyone in Worship at LRUCC

The first Sunday of each month we include our children in worship at 9:30 am. We provide a family oriented service on Everyone in Worship Sunday with opportunities for children and youth to participate in meaningful ways. We know that children who are welcomed into the worship life of a church remain there longer. We also know that children who are taught the ways of worship engage more fully in the experience and overcome the usual criticism of “wiggly” children in worship.

Parents who encourage the worship life of their children ultimately find the riches of those shared experiences to be deep and meaningful when the difficult times in relationships occur.

On regular Church School Sundays we use a **Gathering Time**, for ages 6 to 10, to teach children ways of worship. We hope that this experience will serve them well when they join us once a month in the fuller life of worship at LRUCC.
